INSTITUTE OF TRAINING & DEVELOPMENT

**TAKING YOUR TEAM  
FROM GOOD TO GREAT:  
ESSENTIALS OF  
BUILDING A HIGH  
PERFORMANCE TEAM**

**05-16 Dec 2022**

## CONTEXT

A high-performance team is a group of people who share a common vision, goals, and who collaborate, challenge and hold each other accountable to achieve outstanding results. Team members have a clear vision of where they are, where they are headed and what they want to accomplish.

Work teams are the backbone of contemporary work life. Project teams create new products and services, teams in Government and other organisations design & deliver better services to public and customers. High performance work teams are essential to the way most organizations organise and carry out their work, resulting in superior performance.

This 2-week program is designed to help you become an effective leader in different environments. It is based on the premise that the foundation of good leadership is self-awareness, which gives you feedback on your team role preferences, strengths and weaknesses. You will be better placed to understand how to build, develop and lead teams.
